ANOTHER HAPPY POD NEEDED

Our Clinic is seeking the employment of a very personable, enthusiastic, motivated Podiatrist to join our team of 3 podiatrists. We have a large, brand new facility, purpose built in the main street of Horsham Victoria. We focus our patient base around full fee paying customers, we do not bulk bill. Sports injuries are a focus especially ankles, paediatrics, and footwear

The Clinic has a Specialist Shoe Store with brands: Kumfs, Ziera, Hush Puppies, Clarks, Merrell, Caterpillar, Cushe, and Ecco,

We are fully computerised with patient files and note taking and have 6 great support staff to assist you, the clients and customers. If you want the best experience as a Podiatrist this is the environment for you.

This position is great for a New Graduate as our mentoring program would suit a motivated person who is interested developing their patient skills and owning their own clinic in the future.

We are so sure that you will like it we are happy to pay for your accommodation for up to 3 days for you to see how we operate.

Check us out on Facebook : Wimmera Foot Clinic and www.wimmerafootclinic.com

Applications to Adam or Amy via email : podiatry@wimmerafootclinic.com
