

SENIOR CLINICAL POSITION

Complete Feet is a forward thinking organisation with strong team and Clinical values. We provide leading edge services, treatments and diagnostic technology to provide Australia's most comprehensive total footcare, Podiatry, Orthotics and footwear centres.

Our team is seeking to create an opportunity for individuals and clinics to create referral synergy and business growth through your strong leadership qualities. You should be seeking a career with increased direction and scope beyond your well rounded clinical knowledge.

This opportunity exists for a senior clinical position providing quality patient care and practice management at our 2 sites at Wantirna and Kew. Your training and guidance would provide direction for our clinical treatments, retail sales and our own in-house full Orthotic laboratory.
