

PODIATRIST

Grade One
New Graduates welcome

0.8 – 1.0 EFT

We are offering an exciting and **varied position** for a suitably qualified Grade 1 Podiatrist. New graduates are welcome to apply. The successful applicant will be in a **well-supported role working with an experienced podiatrist**, as part of an enthusiastic and **professional multi-disciplinary team**.

Stawell Regional Health is a **fully accredited best practice** public hospital consisting of 35 acute and 35 aged beds plus numerous outpatient programs.

Applicants should be competent in various aspects of clinical care, including general treatments, biomechanics, paediatrics, nail surgery, diabetes and aged care. The role also provides an outreach service to smaller regional communities surrounding Stawell-including the Grampians tourism hub -Halls Gap.

Other benefits:

- you will **work in a fun**, enthusiastic multidisciplinary team
- **mentoring with expert Practitioners** through Ballarat Health Services
- great community and sporting life
- comprehensive **salary packaging**
- close to the Grampians and Melbourne

Relocation assistance is available (conditions apply)*
